

Boy Scouts of Hawaii in Action

A NEW SCOUT SONG COMPOSED BY COMMISSIONER

In us you see the Boy Scouts, the Boy Scouts of Honolulu. We're out to serve the people in whatever we find to do. We're loyal, brave, we're trustworthy, we're cheerful, kind, and all true blue. Our motto, "Be Prepared"—you bet we'll see it through.

TROOP VIII TAKES EVENING DIP

A week ago Wednesday evening found Troop VIII enjoying a swim at Beach Walk. The scouts met at the residence of Mr. Milton, the troop's scout master, where the scouts got into their bathing suits. Thirteen scouts were present.

At the last monthly meeting when the four-hand-carry competition took place Troop VIII and Troop XVIII were close to a tie for second place. But it was not definitely known which came second. Troop XVIII claimed the honor, but if any one really did come second, Troop VIII says it did.

Troop VIII has for a long time had no scout master, but at present they are starting to prosper with three patrols and just a few more boys and the troop will have four patrols. Mr. Milton of the Trent Trust company has taken up the scoutmastership of the troop.

TROOP III

The scouts of Troop III had a three-day camp last week during Friday, Saturday and Sunday. The greater part of the troop turned out. Scout Master Nesa and Assistant Scout Master Fennedy were in charge. Many scouting sports and tests were practiced and it is hoped that there will be a number of boys who will pass the tests for the rank of second class.

This troop is now getting up to the high standard of scouting and it was

a good chance to obtain the "Duncan cup" at the next rally.

The scouts broke camp Sunday afternoon about 3 o'clock and hiked up to the car line. Having a truck to transport their equipment made it easier to do the two miles or so, walking that took them to the car line. Those boys who possessed wheels rode to the troop's headquarters, where they waited for the truck to arrive with the equipment.

The scouts' belongings were then sorted and then each scout went to his respective home.

TROOP VIII

The meeting of Troop VIII found nearly all present, with one official. A new red marking system has been introduced and various scouts have been credited. On the wall was hung a red mark chart where all the scouts have their names and the number of red marks that have been credited to them.

After a short business meeting, the scouts were taken out of doors and drilled by patrols. A signaling team, first aid team and racing team have been organized under the leadership of Guy Gitt, Herbert Taylor and Richard Pedro. These teams ought to progress well under these scouts.

Last week the troop went moonlight swimming at Scoutmaster Milton's residence, where the garage was turned into a bath house for the boys. All the scouts present enjoyed themselves.

A regular business meeting will be held next Friday evening at 7:30. All scouts make an effort to be present.

TROOP XI TO BE REREGISTERED

We had a meeting on Wednesday and the boys had a discussion about having the troop reregistered. We unanimously voted Mr. C. W. Baldwin, our former scoutmaster, to be our

SCOUTS DO RUSHING BUSINESS ON MAINLAND

It has always been a boy's privilege after the ice cream was served to scrounge out the freezer. Perhaps the treasury department and the national council of the Boy Scouts of America had this in mind when they kept the scouts out of the Liberty Loan campaign until the last week. The scouts astonished the nation by scooping out more cream than anybody thought there was in the freezer.

The American people have discovered The Boy. They used to discuss him apologetically or in a humorous vein. They did not know that he could organize and systematize and nationalize and do big things in a big way.

Even did didn't know what was in the boy until he came out in khaki, started a garden in the backyard and sold Liberty Bonds all over town. Message Carried "Over There"

The success of the Boy Scouts of America in the second Liberty Loan campaign was even greater than had been anticipated. Certainly the Boy Scouts of America have helped materially in saving to our boys "over there" as well as to our enemy "over here" that we "over here" as a nation are back of our government and our national leaders to make this war a success.

Through organized boyhood, under the leadership of the Boy Scouts of America, a distinct service has been rendered to our country.

J. A. WILDER ENCOURAGES SEA SCOUTING FOR HAWAII

Area, he tells R. N. Burnham to try to get a sea scout troop for the islands. He suggested that if a troop should be formed that it be called "Troop I, Sea Scouts of America." As he is now sea scout commissioner at New York, and being former commissioner for the islands, he is greatly interested in having a troop of that nature in Hawaii.

A special meeting of the local executive council has been called to consider the matter. The local scout executive has gotten in touch with several persons in town who are interested in sea scouting.

In his letter he asked if Troop V took part in the funeral of Queen Liliuokalani.

At the "court of honor" meeting held last Tuesday, there were five scouts present to pass several examinations for the rank of second class, three scouts from Troop III and one from Troop I and one from Troop V.

TROOP V WANTS TO RAISE MONEY

Troop V, the Queen's Own, held a business meeting last Friday evening. The meeting was called to order at 7:30 and adjourned at 9:15. It was a poor attendance with 29 scouts and two officials present. The first subject brought up by Senior Leader Carl was debt. The troop is very much in debt and the boys are thinking some good suggestion in order to raise some money. Assistant Scoutmaster Thompson told the boys about the camping with Troop XX at Waiolu on Christmas vacation. The majority of the boys did not want this because it is war time and the expenses are too high.

New regulations were made and the boys were instructed to follow them. The next regular meeting will commence at 7:30 to 9:30 o'clock.

After dismissal of the troop a light meeting was held on football and William Holt was elected captain.

THE SCOUT MOVEMENT

The Boy Scout movement has, for

the past three years been developing itself into one of the largest of boys' organizations, if not the only universal organization for boys. It is one of the best ways to bring boys from all walks of life together under the organization called the Boy Scouts of America. But there are many mothers, right here in this city who protest against their boys joining the best organization in Uncle Sam's country.

All boys who are taken into the scouting movement have to pass an examination and have to have a fairly good character in order to become one of those who can claim that they are rightfully a Boy Scout. There are many people who, today do not even respect the uniform of the boy who tries to make for himself a character that is more honorable than "bumming around" learning probably, some of the worst habits that boys, during their young years of life, form.

When Sir Baden Powell started the Boy Scout movement in England he did not for one minute think or expect it to turn out to be an organization of a bunch of "bums"—that is why the 12 points composing the scout law were made so that the Boy Scouts would not be any "riffraff" bunch.

Many people seem to think that this is just what the scouts are, and they do not hesitate to paint them all with the same brush, and some people even go as far as to practically condemn the scouts, but the truest motto is, "Do unto others as you would have them do unto you," and I think that alludes strongly to this situation.

Does one think for one minute, that if the scouts were a bunch of "bums" that the President of the United States would undertake to hold the office in the Boy Scouts of America as their Honorary President, or William H. Taft as the Honorary Vice-President? There are men, throughout the United States, who give their valuable time and devotion to boys. If there is any one who thinks that the BOY SCOUTS OF AMERICA is not a good enough organization for his or her boy, they better change their minds.

TROOP I ENJOYS CAMP

Twelve scouts started out on Friday morning for a three days' camp at Ahuimanu. Ten of these rode over on their bicycles, the other two went over in the stage. Those that went over on bicycles enjoyed it very much, though the road was very muddy and it rained most of the time.

It did not rain at all during our stay at camp and there was much to do. There were tramps into the valleys and many games such as football and baseball. There was also much swimming in ice cold mountain water. Only eight scouts took the ride back on bicycles, the others coming back on the stage on account of punctures.

The next meeting will be on Saturday afternoon next at the scout house at 2:30 p. m.

A FIGHT FOR LIFE

It has been fight or die for many of us in the past and the lucky people are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's called "An-uric." You should promptly heed these warnings, some of which are dizzy spells, headache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Dr. Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of Anuric, as are thousands of neighbors.

Step into the drug store and ask for Anuric, or send Dr. V. M. Pierce, Buffalo, N. Y. 100 for trial pkg. Anuric, many times more potent than lithia, eliminates uric acid as hot water, melts sugar.—Adv.

There will be no meeting of the young men's class at the Army and Navy Y. M. C. A. under Prof. Vaughan MacCaughy on Sunday, Dec. 9. The next session will be held on Dec. 16, the theme for that day being "Militant Rome and the Jewish People." The title of the course is "A Military History of Christianity."

An exchange says: "Many a young man loses sleep at night wondering how he can win the 'only girl' when all he would have to do would be to ask her." Does this apply to your present attitude toward reaching our 6300 readers?
